

Next Mission Solutions

Capability Statement

Mission-Ready. Veteran-Owned. Results-Delivered.

Company Overview

Next Mission Solutions is a Service-Disabled Veteran-Owned Small Business (SDVOSB) specializing in government contracting, tactical gear procurement, and mission-critical logistics solutions. We are SAM.gov registered and ready to partner with federal agencies, prime contractors, and industry leaders seeking a veteran-owned logistics company that delivers mission-critical, global operations support. Our team combines military discipline and supply chain agility to ensure mission success at home and abroad.
